

# A Random Walk through Mathematics and Computing Science

A series of public lectures organised by  
Computing Science and Mathematics,  
University of Stirling

Thursdays at 7pm

## 21st February

Does God play dice? – Dr Adam Kleczkowski

## 28th February

Home Care Technologies – Prof Ken Turner

## 7th March

On Giants' Shoulders: A Random Walk through the History of Statistics –  
Kate Howie

## 14<sup>th</sup> March

Evolution for Automated Design and Problem Solving – Dr Gabriela Ochoa

## 21st March

Squares, square roots and Pythagoras – Donald Smith

## 28th March

The Creative Computer – Kevin Swingler

## 4th April

No lecture – school holidays

## 11th April

No lecture – school holidays

## 18th April

Why we should buy Kit Kats while we still can. Food Security – what is it and  
what has it got to do with maths? – Prof Rachel Norman

## 25th April

Easy Problems, Hard Problems and a Million-Dollar Question –  
Dr Savi Maharaj

## 2nd May

Artificial Intelligence: is it finally arriving? – Prof Leslie Smith

Time: 7pm (for approximately an hour)

Venue: Lecture Theatre B4, Cottrell Building, University of Stirling

e-mail: [gemma@cs.stir.ac.uk](mailto:gemma@cs.stir.ac.uk)
